Loyall
SIGNATURE

A Loyall® Bond
made stronger

THE BENEFITS

Made without by-products, corn, wheat, and soy and is free of artificial colours, flavours, and preservatives.

Trumune® power helps boost your pet's immune strength and mobility.

Opti-Cook® patented process ensures starches are processed properly for easy digestion.

Omega 3 & 6 fatty acids to support healthy skin & coat.

Supplemental antioxidants and trace minerals support key body functions.

Features a high-quality protein source as the number one ingredient.

Fruits and vegetables provide fiber and antioxidants for immunity.

Taurine for heart health.

Prebiotics to promote digestive health.
