

Loyall SIGNATURE

100%
satisfaction
garantee

Happy, healthy moments start with good nutrition.

NEW Loyall® Signature recipes nourish the bond between consumer and pet by delivering complete and balanced nutrition with simple, healthy ingredients to help them live long, thriving lives and create bonds that last a lifetime.

Made without by-products, corn, wheat, and soy and is free of artificial colours, flavours, and preservatives.

Trumune® power helps boost your pet's immune strength and mobility.

Opti-Cook® patented process ensures starches are processed properly for easy digestion.

Omega 3 & 6 fatty acids to support healthy skin & coat.

Supplemental antioxidants and trace minerals support key body functions.

Features a high-quality protein source as the number one ingredient.

Fruits and vegetables provide fiber and antioxidants for immunity.

Taurine for heart health.

Prebiotics to promote digestive health.
