FEEDING DIRECTIONS

Feed Gold'N Chick Start & Grow Organic Plus as the sole diet beginning at hatch.

Then, feed at 16 weeks of age or onset of lay, switch to Gold'N Layena Organic Plus.

- Don't let feeders run empty.
- Clean feeders and waterers regularly.
- Provide fresh, clean water at all times.

IMPORTANT

Follow sound management practices along with disease and sanitation control measures. If there are any questions, contact your veterinarian, Purina dealer or sales representative.

CAUTION

1. Directions for use must be carefully followed.
2. Feed is perishable. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion, or death.

DISCLAIMER OF LIABILITY

Individual results from use of this product may vary based upon differences in customers' programs of management, health, sanitation, breeding, genetics and feeding. Therefore, Cargill Limited and its Dealers do not warrant or guarantee individual results.
