

## YOUR HERD SNAPSHOT

The DAIRY ENTELIGEN™ WALKTHROUGH brings you a complete analysis of your herd combining the farm walkthrough with Cargill expertise so that you can make data driven decisions to improve herd performance.

## HOW IT WORKS

- 01 At the touch of a button, using the DAIRY ENTELIGEN™ app, your Cargill advisor completes a farm walkthrough collecting information on the nutrition, health, comfort and productivity of your herd.
- 02 Automatically, graphics are generated allowing you to visualize today's performance as it compares to previous visits.
- 03 Your Cargill advisor delivers to you your DAIRY ENTELIGEN™ WALKTHROUGH report, the snapshot of your herd.
- 04 Work with your Cargill advisor to develop an action plan that delivers results you can measure.
