

# Focus on the Future of your Herd

## Calves are the foundation of your herd's lifetime profitability.

Calves have great potential. But, they are at a critical stage of life where every detail matters. From colostrum, to bedding, to air quality, to calf starter and water availability — it makes a difference when the calf's highest potential for average daily gain is at stake!

## Boost your dairy herd's growth with Dairy Focus Calf Starters!

For every 20 bags of FOCUS calf starter feed purchased, Cargill is giving away 2 bags absolutely free. Fuel their development and maximize their potential with this special offer. Contact your Cargill farm consultant for full product and promotion details.

**Start your calves with Cargill.  
Make them profitable, faster!**
